Volume 117, No. 2

Program committee for the Forum from Karen Poorman

The October 4 program will be held at 12:00 PM at the Northfield Library. It will be a pot-luck luncheon, so whip up that specialty that everyone tells you they like and bring it to the meeting. Call or e-mail Diane Koob to let her know what you will be bringing. Let her know as soon as possible so that she does not get inundated with calls at the last minute. Dwkoob@gmail.com 609-412-0967

Dr. Nina Radcliff will speak on new directions in women's health (with member participation.)

Wisdom of the Ages: Remember to keep filming your female relatives and friends with questions. A few suggested questions:

If you could be any age forever, what age would that be and why?

What advice would you give a girl/woman younger than you?

What would you change about this world?

What is your happiest childhood memory?

What is your favorite song? Can you sing a little bit of it?

Double question: For a young person...Do you know something that you understand that an older person would not? For a person over 30, Can you remember something from your childhood that a younger person would not understand?

These are only a few of the questions and you will come up with many more after the September 18 meeting at the Mays Landing Country Club. You can start sending them any time.

Question 2...click on the URL: <https://youtu.be/NRIe0mLHqIM> What age would you be if you could be one age forever? We need to learn to video in landscape and ask questions that will result in different responses for the generations. These women are wonderful.

Send your video clips to Karen as a message at (609) 335-4335.

There will be a lot to talk about.

Following the discussion we will choose the books for the coming year. This is your opportunity to recommend your favorite book. New people are always welcome.
